September 23, 2020

Dear Families of Saint Bernard Mission School,

We are off to a good start of the school year. We want to thank our families for your cooperation with the morning arrival and for helping to keep our children safe. Our students have adapted to the changes within our school very well. Students and staff have been wearing masks, social distancing as much as possible, and sanitizing hands. The K-1 classroom received a donation of face shields and have been working hard at consistently wearing their masks and shields.

We will be completing the NWEA MAP assessments this week (9/21-25). If there are any students that were absent on test days, we will get them caught up next week.

Picture day is scheduled for November 3, 2020.

The Ronald McDonald Dental Bus is scheduled for the week of November 9-13, 2020.

Our students, families, and our community remain in our prayers. Thank you for your support of SBMS. If you have any questions, concerns, or comments, please do not hesitate to contact the school.

*Tomí Kay Phillipz*, Ed.D.  
*Principal, SBMS*
