I give my child permission to participate in this intramural program and understand there is an “Assumption of Risk” involved in participating in a physical activity based program.

I give my child, _____________________, permission to remain after school for Intramural Sports. I agree to pick up my child promptly at the specified time in the back parking lot. If someone other than a parent will be picking up my child, I am aware that I must send written consent to school. I understand that all school rules and policies, in addition to those specific to the program, are in effect during after school activities at KCS. In the event of noncompliance, the principal, Mrs. Albert, or the program facilitator, Mr. Levinson, may remove students from the program. As with all extracurricular activities, students must maintain satisfactory grades, behavior, and attendance in all of their classes to participate in this program.

(NO CASH PLEASE)
Kingston Catholic School Science Fair
January 26, 2020

The science fair has been designed to enhance your student’s interest in Science. The science fair will allow your children to explore an area of science that relates to the NYS Next Generation Science Standards and interests him or her. The students will develop a sense of confidence in presenting their ideas and learn from all of the projects presented at the fair.

Based on curriculum guidelines, grades 6-8 will be required to complete an experiment. All students in grades 6-8 must follow the scientific process and create a display board to present their research (complete details will be discussed and handed out in class.). Each child will follow the project guidelines from their teacher and will be graded on their work. The science fair will be held on January 26, 2020, beginning at 11:00am and will be judged by selected community members.

**In grades PK-5 the science fair is optional. Family participation is accepted and encouraged.

**Students in grades PK-5 only, please complete the attached Science Project Entry Form.

**Students in grades 6-8, please refer to the directions from your science teachers.
Procedure:
1. Choose a project that is STEM (science, technology, engineering & math) and reflects your interests in science.
2. Create a display board for your project, which should include a title, pictures, charts, diagrams and graphs.
3. Prepare your presentation.
4. Students will be given five minutes to present/demonstrate his/her project to the judges.

Format (Grades PK-5)
1.a. Select a research project
   b. Research your topic
2. Identify purpose and procedures
3. Observation and data collection
4. Interpret your data and formulate a conclusion
5. Recommendations (What do your findings mean? Do your findings support scientific laws?)

Suggestions
1. Do something that interests you.
2. Make sure you can complete the project within the given time frame.
3. Make sure your project is portable and can be brought to school.
4. Make sure you have access to the materials you will need to complete your project.
5. Make sure it is safe!
Science Fair Information

Please complete this form as neatly as possible. Your name and project information will be listed in the program as it appears on this sheet.

REMINDER!

Attention all KCS Volunteers!

If you plan on volunteering at KCS in any capacity (lunchroom, playground, classrooms, KCS Family Organization activities, and including attending a class field trip and helping with the play) you must complete the Archdiocesan Safer Spaces Training. (Once you have completed the Training, you do not have to do it again.)

To register and view the online course, go to archny.org/safe-environment-program

(Follow the prompts for “Safe Environment Program” on the left side, click on Online “Safer Spaces” Training and follow the directions to register for the course.)

A background check form must also be filled out. These are available in the office.

Once both of these requirements are filled, you will be able to volunteer at Kingston Catholic School.
