

Welcome to First Grade!

Hi! My name is Mrs. Geskie and I will be your teacher this coming year in First Grade. We will have so much fun together and you will learn many new things. Although the classroom and the way we go about our day will look a little different, I am so excited to see you all and can't wait to be your teacher!

We will do many fun activities each day. We will review things that you learned in kindergarten and build upon those skills. We will spend a lot of time in ELA reading, writing, and learning to spell new words. In math, we will be adding and subtraction higher numbers, measuring length, as well as learning about geometry.

We will study many exciting topics in science and social studies such as weather and seasons, matter, community health workers and we will learn about families of now and long ago.

In Religion we will discuss God the Creator, listen to stories about Jesus, and learn about the Holy Spirit. We will learn more prayers and learn responses used at Mass.

I am looking forward to seeing each of you on the first day of school! We will have lots of fun learning together every day!

Here are a few things that you will need this year:

*Backpack *Lunchbox *Folder *Headphones *Beach Towel

Additionally, Miss Hurley, would like you to bring in some materials for art which include: art smock, markers, watercolor paints, liquid glue, ruler, pencils, and a pencil sharpener.

Enjoy the rest of your summer and I can't wait to see you in First Grade!

Love,

Mrs. Geskie
