

Art October Newsletter

WHAT'S HAPPENING IN ART THIS MONTH:

Our Art History curriculum is under way. After reviewing art topics we discussed last year, we began the journey to the past, where the first records of Art began. We have traveled back to the **Stone Age** to discover the wonders of **Cave Art**, then to **Ancient Egypt** and the highly decorated **Sarcophagus**, followed by **Ancient Greek Mosaics**, the **Ancient Roman** art form **the Relief**, and the **Medieval Time's Gothic Period**. We have many more topics to explore, including many artists and art styles. I look forward to discovering these topics with your students.

REMINDER:

As the new school year continues, **please make sure your student's art supplies are kept stocked throughout the year** if needed. This includes markers, crayons, glue sticks, liquid glue, etc. Please make sure those supplies are kept up to date so your child is able to participate in each project. (*see Art Supplies List on the website.) If you are having trouble finding or have questions about any materials, feel free to reach out to me or your student's classroom teacher so we can help.
