

February Newsletter

Grade 5

During the month of February we will be focusing on the following topics:

Religion: We will be learning about the Sacrament of Eucharist and how Jesus is truly present in the Eucharist. We will also be studying the parts of the Mass.

ELA: We will focus on main ideas about people who changed history when they worked for what they believed in while explaining how ideas, events, and individuals in texts are related to the overall theme. Our texts will include, *Superheroes* and *The Great Migration*. We will also be learning about pronouns and commas in a series.

Math: We will continue our work on Module 2: Multiplication of Multi-digit Whole Numbers using mental strategies and the standard algorithm to solve. We will begin dividing two- and three-digit dividends by two-digit divisors, and make connections to the standard algorithm.

Science: We will continue studying Earth's water cycle, the role of water in Earth's processes, and begin investigating human impacts on Earth's systems.

Social Studies: In Social Studies, we will be studying Latin America. We will begin with the physical geography and early civilizations found in Middle America
