During the month of April we will be focusing on the following topics:

**Religion:** We continue learning about the Sacrament of Anointing of the Sick and begin our study of the Sacrament of Matrimony.

**ELA:** We will focus on reading for understanding and figurative language. Our new text is *George's Secret Key to the Universe*. We will also be learning about prepositions and prepositional phrases.

**Math:** We will finish Module 3: Adding and Subtracting Fractions. We will begin Module 4: Multiplication and Division of Fractions while working in small groups.

**Science:** We will begin investigating our Solar System beginning with the sun and stars.

**Social Studies:** In Social Studies, we will continue studying Latin America. We will be studying the cultures and traditions of Latin American countries, as well as their economy and struggles for financial independence.

**FYI:** Students are being rewarded with dress down days if they earn 5 Outstandings. If your child claims to have earned a dress down day, he or she probably has. If there is a problem, I will contact you.
