The 2018-19 School Year has ended. There is still plenty of activity taking place here at St. Mary. Classrooms are being made ready for the summer break and other classrooms are being appropriately relocated to meet the needs of our growing school population. Many children who are enrolled in the summer program are making sure that the sound of laughter is not absent from the school and playground.

In this bulletin, you will see a beautiful photo of two people--96 years old each. The gentleman is Captain Larry McCauley (who is also a cousin of mine. He jumped in on D-Day at Omaha Beach, fought in the Battle of the Bulge and liberated Buchenwald. While he was being honored at this event in New Orleans, Annie, a Holocaust survivor, was at the same event. She was told that he had liberated the German concentration camp she was in and she went over and introduced herself. They sat together for 45 minutes while she held his hand and thanked him over and

over. How remarkable that the two of them should meet 75 years later. God bless these grand survivors. God bless the millions of victims of wars and the courageous soldiers of WW II and especially D-Day.

Congratulations to Don and Marianne Metnes who are celebrating the 30th Anniversary of their Wedding this Sunday at the 9:00 Mass. The consecration candles are shining brightly.

Congratulations to our teacher Katie Dawes who will marry John Gibbone next Saturday here at St. Mary Church

The Lord be with you!  
Father Kevin F. Lutz

*The image of Anthony holding the Divine Infant is a symbol and model for each of us. The image inspires us to go through life clinging to the wonderful mystery of the humble, self-emptying Christ, who accompanies us as a servant of our humanity and of the world's healing. This is the kind of love that radiates from the Christ child so often pictured in St. Anthony's arms. Would it not be a good idea for all of us to go through life carrying an imaginary God-child in our arms—and holding him up to the world? The child, however, is not really imaginary or fictitious. Two thousand years ago, thanks to the Virgin Mary's "Yes," the Son of God left behind his divine condition and came to dwell as a human child among us. Our faith tells us that he does accompany us each day like a humble servant—like a vulnerable child. Like St. Anthony, we do well lovingly to carry this image with us on our journey through life.*

**MAGNITUDE AND SCOPE OF ABORTION**

The US has lost about 1.2 million soldiers in all of its wars since the Declaration of Independence in 1776. In a much shorter time since 1973, we have killed about 50 times as many pre-born babies. Also, abortion has cost the US about 120 times as much as all American wars have.

Are you hurting from an abortion. There is mercy; there is peace of soul. The confessional doors are well-oiled. Enter and find the peace that God wants you to have.
