Be inspired by the martyrs among us

Lawrence, a Roman deacon who was martyred in 258, is one of the most venerated of saints, and there are many legends about his gruesome death, which prompted widespread conversions to Christianity in his city. Most Christians aren't called to such spectacular sacrifice, but there are other types of martyrs—ordinary folks in every generation who face adversity with total commitment to God and sow the seeds of faith all around them. They are martyrs at the hands of disease, hatred, bigotry, selfishness, and cruelty. They fight the good fight and leave us all the better for it. Pray for that level of faith and perseverance.

DID YOU KNOW? *August is National Make a Will Month!*

Have you been put off creating or updating your will? Is life too busy that this important planning tool keeps getting put on the backburner? Now is the time to make sure that your final wishes are followed after you leave this earthly life.

A will is a legal document which captures what you want to happen to your assets when you die. Having a will in place prevents the state from determining for you how and to whom your assets are distributed. A will can be simple and may not require a lot of time or money to establish. The Catholic Foundation's Professional Advisors Group* has many attorneys from across the Diocese of Columbus who can serve as a great resource for determining what you need to create a will.

Stop procrastinating and use this month as an opportunity to start your will or review an existing version if it's more than 5 years old. Your family and loved ones will thank you for taking the guess work out of how you would like your financial matters handled.
