FIRST SUNDAY OF LENT

The scene of the temptation, which opens the public life of Jesus, declares in the Gospels in a very forceful manner the great change in our lives that He introduces into the world by His work of redemption. Where Adam fell, Christ, the new Head of humanity, triumphs over the power of Satan: at the time of His passion “the prince of this world” will be cast out. The Gospel of the temptation heralds Christ’s victory in advance. By appointing this Gospel for the beginning of Lent the Church proclaims that this victory should be ours also. In us, as all around us, it is Christ’s temptation, Christ’s struggle, Christ’s victory which is prolonged; our effort is His and so is our strength; His will be our victory at Easter.

With Prayers & Blessings
