Registration Is Open for the 2020 Idaho Catholic Women's Conference, Brave

Join hundreds of Catholic Women ONLINE

Boise, Idaho. (August 3, 2020) – The annual Idaho Catholic Women's Conference will be held on Saturday, September 19th, online at IdahoCatholicWomen.com. This enriching one-day, virtual conference is being prepared especially for Catholic women in Idaho, by Catholic women in Idaho. The conference is presented by Salt & Light Radio, and sponsored this year by the Idaho Council of Catholic Women and by Saint Alphonsus. The early-bird cost is \$20 until August 25th, when it will jump up to \$30.

Our featured speakers are Sister Miriam James Heidland, Heather Khym, and Father Justin Brady. Sister Miriam is a member of the Society of Our Lady of the Most Holy Trinity. She and Heather Khym are two of the co-hosts of the podcast, *Abiding Together*. Father Brady is a lifelong Idahoan and parish priest for the Diocese of Boise, currently serving multiple Parishes, including Our Lady of the Snows in Sun Valley. These speakers together form a dynamic team. Their wisdom and exhortation are sure to bless every attendee.

Our conference will include Mass, talks from three powerful speakers, surprise cameos by some of your favorite Catholic personalities, a virtual Exhibitor Hall and Goodie Bag, private Facebook group, live chat and Q&A, and post-conference networking opportunities. Leading up to the day of the conference, attendees are invited to attend our **Serenity Lounge**: a daily, virtual pre-conference series of talks featuring a novena, rosary, and special guest speakers, hosted by Morning Light's own Hope Ryan.

Registration is open! Visit us at IdahoCatholicWomen.com or call **208-484-0898** to learn more about the conference and to register.

We still have room available for exhibitors! Interested exhibitors can find the application on the website, IdahoCatholicWomen.com, under **Registration**.

Salt & Light Listener Supported Catholic Radio has been serving the Treasure Valley for ten years with quality, faithful programming.
