After you serve, **always hang up your alb**, using the corresponding colored hangar. This will keep the albs neat, and will make it easier to locate your correct alb size.

Please use the appropriate colored cincture:

Purple:            Advent and Lent  
Red:                Palm Sunday, Pentecost, Martyrs  
Gold:              Christmas and Easter  
Green:             Ordinary Time  
White:             Weddings, Funerals, Marian Feasts

(Since the colored cinctures are shorter than the white ones, simply wrap them around your waist and tie them in a double knot.)
