

Blessings to you!

This has been a year in which blessings mean more than ever! Each and every one of you at St. Louise is a blessing to me, for which I am grateful.

Even though this has been a “different” year, to say the least, one thing that isn’t different is the help we need from each other. We might be living that out in ways we would not have imagined just last year; but we do find ways, nonetheless. The help that you offer St. Louise through your gifts of time, talent and treasure are what make us a vibrant parish – now more than ever.

In a spirit of gratitude to God, who is always good to us, and whose blessings never fail, I ask each of you to prayerfully consider what you may be able to do in terms of a financial pledge to the parish for the coming year. We make the same “ask” every year, for two reasons. First, in each year, your financial situation may well be different than it was the previous year. Depending on your reality this year, we ask you to consider making a gift that represents an equal sacrifice, whether the amount is greater, smaller or the same as you pledged the year before. (As you know, the Church encourages everyone to decide on a total amount of charitable giving for each year, and to commit one half of that total amount to support your local parish.) Second, we do plan our annual budget for the coming year on the total pledges that parishioners have made for that year.

Thank you for all you do through your gifts of Time (both public and private prayer), Talent (any way you serve at our parish and school) and Treasure.

May God’s peace be with you always!

Fr. Gary Zender
Pastor
