

We are thrilled to share that the new NBP permanent shelter and day center will be opening in late August! The finishing details are happening over the next 8 weeks (scroll down for new pictures!) and we need your help! ***Help us finish this project by making our space feel like home for the families.*** Thank you so much for your continued support through fundraising, planning, construction and now the final touches.

How You Can Help

1. Purchase an item(s) off of our Amazon wish list. These are items that extend beyond what we have at the current day center and are essential to opening the new space. If you sort by highest priority, you will see towels, sheets, blankets and kitchen supplies.

2. Donate money to help buy the bunk beds, mattresses and storage wardrobes. These items cost approximately **\$35,000** and having the cost covered by donations will allow us to not use operations money to buy the furniture.

3. SHARE this list with your organizations, church, friends and family! The items on the list range from \$3 (sippy cups) to \$150 (wall mounted first aid kit).
