### Easter Message from Fr. Piotr:

*All of us gathered here today on Easter 2018 are part of the community of faith of those who walk with Jesus. Yes, within the Church we have different roles to play and responsibilities to carry. But, at heart, each of us is a pilgrim in need of faith and spiritual nourishment, aware of our sinfulness and yet wanting to meet Christ. The gap between Jesus and his disciples is also with us; between the Church as an institution and the community of those who follow Christ in faith. As we move to the future, like Christ, our task is faith; nourishing faith through our words, actions and attitudes, encouraging faith by the way we live. My special Thank You goes to OUR AMAZING young students from Confirmation Class who went last Monday to Springfield and by their participation in Chrism Mass they shared their faith with others, but most of all they witness that God and His message is very important to them in their lives.*

*Let us follow their Example and Share the Joy of Easter with others.*

We would like to thank all those who helped make our Holy Week and Easter celebrations so special: Our Music Director, those who cleaned and decorated our beautiful church, the ushers, lectors, eucharistic ministers, altar servers and all who get involved with our liturgies.

## **!Happy Easter!**
