Cemetery Clean-up Time: It's time for spring clean-up and that includes our cemetery. Our cemetery ground keepers ask that you please remove all old Christmas and winter flowers and decorations and any Easter flowers that have gone by. Please bring your own trash bag for items that need to be cleaned up and removed from your loved ones graves and then please bring these filled bags home for your own disposal as there are no trash barrels at the cemetery. Please do not discard any unwanted items on cemetery property. Our ground keepers have been finding items discarded over the embankments of the property. The cemetery is not a dumping ground for someone's unwanted and discarded items. It is supposed to be a beautiful place we can all take pride and joy in knowing that our loved ones are resting in peace in a beautiful place.

Please do any clean-up by May 15th, so that the ground keepers can start cleaning, raking, and fertilizing. Any flower pots or decorations that are not removed by this time will be discarded.
