From Father Piotr: Last week in the Gospel we heard “**I am the good shepherd, and I know mine and mine know me**”. Following that instruction I made a decision to have a simple & short survey to Better Meet Our Congregations’ Needs. The survey will be available from May 5th – 27th in the front of the pulpit. You may take it home and return it the following week. All results will be shared with the Parish Council members during the next meeting in June. Thank you for your cooperation.

Are you free on First Friday from 3-6pm??? **Jesus is waiting for you!** - If you have a really good friend, or you are married, then you know what it takes to be in a relationship with someone. Two of the most important things you can do to deepen your relationships is to spend time together, and talk with each other frequently. The best friend and the love of our souls is Jesus Christ. Adoration: The Answer to Deepening our Relationship with Christ. The solution to this personal struggle is to deepen your relationship with Jesus. Just as you would with any human friend or your spouse, you have to make a decided effort to get to know Him better. You have to spend time with Him, and speak with Him often, In other words, you need to spend time in prayer.

Cemetery Clean-up Time: Our cemetery ground keepers ask that you remove all old flowers & decorations. Please bring your own trash bag for items that need to be removed from your loved ones graves and please bring these filled bags home for your own disposal. There are no trash barrels at the cemetery. Please do not discard any unwanted items on cemetery property. Our ground keepers have been finding items discarded on the property. The cemetery is not a dumping ground for someone's unwanted items. It is a beautiful place we can all take pride and joy in knowing that our loved ones are resting in peace in a beautiful place. Please do any clean-up by May 15th, so that we can start cleaning, raking, and fertilizing. Anything not removed by this time will be discarded.

YOUTH GROUP - SENIOR: Are you or anyone you know going to be in grades 7-10 in the upcoming school year? Do you want to have some fun while participating in service projects for your community? Would you like to make a difference in this world and help others? If you answered yes to any of these questions, we have a place where you can make it happen! - Please join us on Monday, June 11, 2018 from 5:30-6:30pm, for a meeting about the Ware Catholic Senior Youth Group that will take place in St. Mary's Church Hall on South St. This meeting is open to interested parents/guardians and the young adults who will be in 7th-10th grade for the upcoming school year (2018-2019). We will talk about the group's mission and answer any questions that you may have. Hope to see you there.
