Dear Father Piotr: **The Friends of the Ware Town Hall** would like to thank you for the use of the Parish Hall for our fashion show and luncheon. The event was a huge success thanks to the people of Ware. We appreciate all that you did to make it a success.

**Happy Mother's Day**

**Our mothers remind us that they, and all of us are full of grace.**

**Our mothers demonstrate graceful living by what they say and what they do.**

**They forgive us and love us no matter what we have done wrong.**

**They care for us unconditionally, just as God does.**

**Today is a day for us to return the favor to our mothers and shower them with grace-loving and caring for them.**

**Just as Jesus always honored his mother, it is our turn to honor our mothers in everything we say and do.**
