Please answer these questions to help us understand your faith and education journey so far and evaluate your qualifications for this scholarship.

1. Do you consider yourself a practicing Catholic? Has college / university made your identity as a practicing Catholic stronger and more secure? ...or more challenging?
2. COVID-19 pandemic impacts were ubiquitous in 2020 and 2021. How did it affect your faith? In what ways was it hampered? Was it strengthened in any way?
3. In what way do you see the battle between good and evil being played out in the world today? Do these battles between forces of good and evil provide encouragement or discouragement for you to live a life in deeper relationship with Jesus Christ and the Catholic Church, about which Jesus promised to Peter: “the gates of the netherworld (hell) shall not prevail against it.” (Matthew 16:18)
