STEWARDSHIP & THE NEW EVANGELIZATION

Stewardship entails a process of continually renewing and recommitting oneself to God. This concept coincides with the New Evangelization, which invites each Catholic to renew their personal relationship with Jesus and His Church.

Catholics from around the world, inspired by the spiritual rewards of stewardship, are growing in their faith and living it out more fully on a daily basis. Parishes become vibrant when believers are actively carrying out the mission of the Church (Matthew 28:16-20) and living as disciples of Jesus Christ.

A NOTE FROM FATHER TOM, OMI

The end of June brings with it the preparing of a budget for the new fiscal year that will begin in July. The figures for the present year that we are completing will not all be in until at least the middle of July. This means that reporting on the year to the parish and to the Archdiocese will take place around the end of July or into August.

The Finance Council has already had a couple of meetings where budgeting issues have been worked on. The common practice – the one that we follow for budgeting – is to go over the figures for the year that is ending, examining how our parish financial situation has corresponded or not corresponded to the budget that was made in the summer of last year. We don't just take the same budget as the one we had for the previous year. Yet, we do calculate income and expenses on what the past year or two have been because that gives us the best idea of what the new year is likely to bring. As you are now beginning to see, our reporting, instead of a week to week listing of offertory income and expenses, will be one of quarterly figures. That, we believe, will make it easier to see the financial reality of the parish.

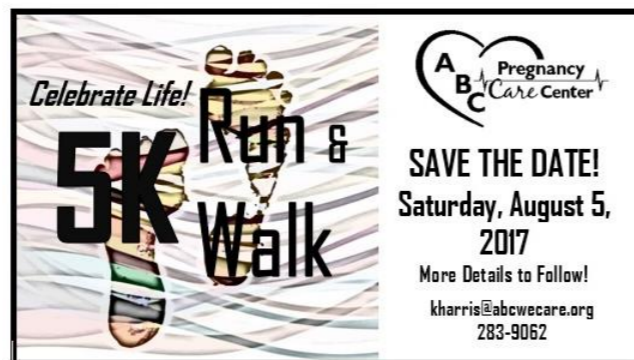

I also want to thank the members of our parish finance council who quarter by quarter work with the parish staff and with the archdiocese to maintain a responsible use of the resources with which we at Our Lady of the Angels have been blessed.

A NOTE FROM THE PASTORAL COUNCIL

The OLA Pastoral council was formed at the request of, and guidance from, the Archdiocese of Anchorage. As part of our governing by-laws we advise the Pastor and Pastoral Team on matters involving the “spiritual and community life of the Parish.”

In recognition of this, the Pastoral Council has adopted a theme for the remainder of the calendar year, entitled “Prayer Life”, that will focus primarily on the individual’s personal relationship with Christ. Our purpose for establishing this theme was to encourage emphasis on personal prayer, not only at church on Sunday, but at home, in the work place, and in our everyday happenings. We are inviting all parishioners to participate in enhancing their own personal prayer life. We will be encouraging prayer in messages communicated through various forms, specifically the parish bulletin, My Parish cell phone app, printed literature, and others to be determined.

If you have any questions, please feel free to speak with me or one of the other Pastoral Council members (listed on the front of the Parish bulletin). Thank you.

THANK YOU!

Thank you to everyone who walked in the 4th of July parade! We were greeted with cheers of “bubbles” as we blew bubbles and walked the parade. We also distributed bottles of water as we walked, as a corporal work of mercy; give drink to the thirsty. Thank you to those who donated the water bottles and bubbles!

14th Sunday in Ordinary Time July 9, 2017

Lord, you give rest to the weary of heart. Help me create space in my life to rest in your presence. ~ *From Faithful Meditations for Every Day in Ordinary Time Rev. Warren J. Savage and Mary Ann McSweeney*

- How can I yoke myself to Jesus, my Lord and king?
- What burdens, stressors, or disappointments can I hand over to God this week?

A WORD FROM POPE FRANCIS

God has hidden [the mysteries of his Kingdom, the manifestation of divine lordship in Jesus and the victory over Satan] from those who are all too full of themselves and who claim to know everything already..... One can easily think of some of Jesus’ contemporaries whom he repeatedly admonished, but the danger is one that always exists and concerns us, too. The “little ones,” for their part, are the humble, the simple, the poor, the marginalized, those without voice, those weary and burdened, whom Jesus pronounced “blessed.” ~ *World Mission Day, June 8, 2014*
