## PRESENTATION OF THE RELICS OF CHRIST

---

**Feb. 26.** Bob Bird will give a Power Point presentation on the Relics of Christ after evening Mass in the sanctuary on Ash Wednesday. This will be appropriate for children and includes a life-sized replica of the Holy Shroud of Turin and a realistic model of the Crown of Thorns. Recently added to the collection is a life-sized replica of the little known but extremely important Sudarium of Oviedo, Spain.

---

## Sound System Upgrades

---

We are in the process of upgrading our sound system in three areas: 1.) improved delivery in the sanctuary for the hearing-impaired, 2.) providing sound in the children's room so that parents or caretakers that are unable to remain upstairs during Mass can still hear the Mass, and 3.) improved sound system for the downstairs social hall including microphone and music playback capability, and multiple new and smaller ceiling speakers. The work in the children's room has already been completed. If you wish to make a special contribution to this project, please see Father Michael or Thi.
