CHURCH SOUND SYSTEM UPGRADES

We are in the process of upgrading our sound system in three areas:

- Improving delivery in the sanctuary for the hearing-impaired.
- Providing sound downstairs in the children's playroom so that parents/caretakers can still hear Mass.
- Improving the sound system in the Stewardship Hall, including microphone and music playback capability, and multiple new and smaller ceiling speakers.

The work in the children's room has already been completed.

If you wish to donate to this special project, please contact Fr. Michael or the parish office at 283-4555.
