The best tool we have for strengthening and preserving the many ministries of our local Church is the One Bread, One Body Annual Catholic Appeal.

With your support, you will help make sure your faith community continues to offer the best education for seminarians, support for parishes in rural and remote communities, strong and effective Safe Environment training, classes for those discerning a vocation to the Permanent Diaconate, outreach to multicultural communities, and innovative faith formation programs to engage young Catholics just beginning their faith journey.

Faith Formation Online Registration Update

This fall our parish will be moving toward an online program to partner with our Sunday and Wednesday night classes. The program, called My Catholic Faith Delivered, is an online version of the Faith and Life series published by Ignatius Press. When our class schedule begins September 13, it is our hope that students and parents will view the assigned lesson during the week, and that the class time that follows on either Sunday (K-6) or Wednesday (7-Confirmation) will serve as a follow-up to the lesson with discussion, activities, or presentations to reinforce the main ideas and promote a better understanding of the lesson material.

In order for this to happen, we need all families who are planning to participate in the Faith Formation Program (FFP) to register by August 10 so that we can proceed with the enrollment process—both online and within our parish. Online registration is easy. Simply go to kenaicatholicchurch.org and click on the first entry—My Catholic Faith Delivered. The registration form will pop up. Please submit a registration form for each child.

For families who do not have internet or personal electronic devices, hard copies of the registration form are available in the foyer. Hard-copy samples of the Faith and Life books are also available at the church for you to look at. You may then wish to order your own home copy of the various grade levels that you will need.

Should a time arise when the church is again closed due to the pandemic or for any other reason, we now have a way to maintain our FFP. This is a trial year and we will learn as we go. If you have any questions, please don't hesitate to ask Rosemary Bird, DRE, or Fr. Michael.

FAMILY ENRICHMENT/FAITH FORMATION

K-4

This week let's learn about Sts. Anne and Joachim, patron saints of grandparents, whose feast day is celebrated July 26th by watching FORMED: Lukas Storyteller: Saints Anne and Joachim. Also, YouTube Story of Saint Ignatius of Loyola will get you ready for his feast day, July 31st.

5-6

The Chosen – Episode 7: Do you have a favorite character yet? Episode Seven, "Invitations," quite possibly the most beloved episode of the series, which includes the portrayal of the most famous chapter in the Bible, John 3, the conversation between Jesus and Nicodemus.

Remember, episodes are available on YouTube or they can be seen on a free app that must be downloaded to a phone or other digital device.

7-11

The Early Christians – Episode 9: The Eastern part of the Empire was more Christianized than the West. It survived the Barbarian scourge one thousand years more.

Byzantium accomplished the fundamental mission of safeguarding the classic civilization, the roman law and the Greco Christian philosophy. Without this the basis of the Western civilization would have been lost. When Constantinople falls under Turkish Islam (1453), a flourishing Catholic Western Europe had taken the relay.

The Search – Episode 4: What's Our Story? If you missed the free showings of this series over the past several weeks, the entire series of 14 videos can be purchased through FORMED to watch again & again for inspiration and insight.

Who am I to Judge – Episode 7/8: What Relativism is Often Covering Up

FORMED Now! The Power of Bad News: Take a listen to this is a talk by Dr. Tim Gray and Dan Burke (former President and CEO of EWTN) as they discuss why we give so much attention to bad news rather than the good. In this day and age, especially, make sure you keep the awareness of how the focus of the media can affect you.
