Thank you to everyone who participated in our school marathon! Every cent raised goes straight back to our school which allows us to continue offering quality education for our students and families!

The first day of fall conferences are this week! You should have received an email from your child's teacher to schedule a conference time. Please contact your child's teacher directly if you have any questions!

Permission forms for the 4 year old class's field trip to Afton Apple Orchards are due today, October 15th. **If you would like to chaperone, please email me or your child's teacher.** (Please note the cost is \$12 per person including chaperones. All fees will be charged to your TADS account)

There is no school October 16th, 17th, or 18th, for teacher workshop days. Enjoy the long weekend!

October 24th/25th we ask that children wear orange against bullying in celebration of national unity day! Help us create a world without bullies!

This long weekend is a perfect opportunity to read with your child! Reading aloud to children helps them develop language and listening skills and prepares them to understand the written word.
