

Mrs. Lillie's 3's Weekly News

September 23–27, 2019

Theme: Apples Letter: A Color: Red Shape: Circle

It's apple week at preschool! This week we will begin our unit on apples. We will learn about Johnny Appleseed, we will taste different apples, and we will do lots of fun apple activities during center time! We will also learn a silly song about 5 red apples! We will begin our "letter of the week" curriculum, which we will do throughout the school year. Almost every week we will have a new letter to focus on. This week we will start with the letter "Aa". During Bible Beginnings we will read a story about a man who was too little and one about Zaccheaus. Please remember to bring in a family picture that we can hang up in our room. Also please bring in the family page and the all about me person that your child decorated. If you have already brought these things in, thank you!
