Home/School Connection

The first couple weeks we've been working on letters and our names.

While out with your preschoolers, try to find the letters of their names on signs, packages, and more!

I hope everyone has had an enjoyable start to the school year! I know here at the preschool we've been having so much fun getting to know your students!

Our 4 year olds have a field trip to Afton Apple Orchards scheduled for October 24th. **Remember, you must complete VIRTUS training in order to chaperone. This can take up to three weeks for the background check so make sure to get this done early if you plan on attending with us.** If you are unsure if you are currently certified, contact Jill Skaife at 651.437.4254 or jaskaife@seasparish.org.

Marathon packets go home this week on September 19th and 20th. The first turn in date is September 25th and 26th. This is one of our biggest and best fundraisers - all proceeds go directly to the school. Marathon is also an easy way to meet your family's fundraising obligation.

Fire and tornado drills are coming up. We are required by our state license to complete one fire drill and one tornado drill per month. Teachers will talk with students about why we do drills and the procedure. We will do the first few drills without the alarm so the students can get comfortable with the process.

Finally, make sure to keep an eye on our preschool calendar online here: seas-school.org/preschool-calendar you can also add it to your personal google calendar to stay up to date on preschool happenings!
