

PreK-8 School

Dear Parents/Guardians and Caregivers:

The Protection of Children and Youth Initiative (PCYI) is a program mandated by our Archdiocese to be held each year in parishes and Catholic Schools.

In continuing to partner with parents, helping their children develop strong safety skills in a faith-filled environment, I would like to notify parents that all SEAS children will participate in the Kidsmartz/Netsmartz safety program throughout the 2019--2020 year. Additionally, some classes will use the VIRTUS: Protecting God's Children program. Parents are invited to review the materials that will be used and I am happy to answer any questions or concerns that you may have.

At SEAS school, we are required to facilitate four 30-40 minute sessions every year. The lessons are age appropriate and specific to each grade level. Lessons begin the fall and are completed by October 31st. Please direct questions regarding the particular days that these lessons will be offered to your child's teacher.

Again, the teachers and I are happy to answer any questions or concerns that you may have regarding this program. Please don't hesitate to contact me.

Sincerely,

Mr. Sullivan

SEAS Principal
