October 28<sup>th</sup>/29<sup>th</sup>

Can you believe we're already at the end of our school week? There is no school Wednesday, Thursday, or Friday this week – enjoy the long weekend!

As the weather is getting colder, please remember to send layers with your child such as an extra sweater or fall jacket. Temperatures can be drastically different in the morning and afternoon, so layers are perfect to keep your student comfortable all day!

We encourage children to dress themselves independently for outside. Please allow your child to practice putting on and zipping up jackets, putting on mittens and hats independently at home. Not only does this build their confidence, it also helps us to get outside faster at school for more time on the playground!

Please remember masks are required inside of the building, if you forget your mask, we have extras outside of the office. Thank you for your cooperation in keeping our students and staff healthy!

As always please feel free to reach out if you have any questions!
