Thank you for supporting our classrooms!

With covid cases currently rising, and the fact that cases spiked after holidays last year, I encourage you to follow [CDC guidelines on how to have a safer holiday celebration](#). Please also monitor your child for symptoms after holiday celebrations, and keep them home from school if they are sick.

### Home/School Connection

As it is getting colder, please allow your child to practice getting dressed for outside independently. We are able to get outside a lot faster when children can zip up jackets and put on hats and mittens on their own!

As it is getting colder, please make sure to send your child's winter gear with them every day. We go outside every day unless the wind chill is below zero. We recommend packing snowpants, boots, etc. in a tote bag for easy transportation.

As always please feel free to reach out if you have any questions!
