Home/School Connection

As it is getting colder, please allow your child to practice getting dressed for outside independently. We are able to get outside a lot faster when children can zip up jackets and put on hats and mittens on their own!

I can hardly believe it but this is the first week of Advent!

During advent, we have several activities we ask you to complete at home with your student (such as decorating an advent candle). Please look for communication from your child's teacher for specific information.

Please mark your calendars for Christmas break! The last day of school before Christmas will be Tuesday, December 21st.

I want to stress again that it is very important to keep your child home if they are sick or if they had a community exposure to covid. Since our preschool students do not wear masks, if we have a positive case of covid in the classroom (where the child was present when they were contagious), we will need to quarantine the classroom. **This is different from the K-8 school because the children do not wear masks in the classroom.**

Please let me know if you have any questions!
