

Mrs. Lillie's 3's Weekly News

March 15–19, 2021

Theme: St. Patrick's Day/Easter

We had a great time learning about transportation! The preschoolers loved the "Transportation Station" in our classroom, that will continue to be up for the next few weeks. Next week we'll be learning a little bit about St. Patrick's Day and then starting our Easter unit. Since Holy Week is when we are gone for Spring Break, we are starting our Easter unit early. We will be doing some fun Easter activities and we are even going to paint with carrots!

During Bible Beginnings we will learn about the story of Noah's Ark, we will continue to discuss the meaning of Lent, and we will begin to discuss the real story of Easter. Please remember if you see your child doing a good deed at home, write it on one of the hearts that were sent home and we can put it up on our bulletin board. If you need more blank hearts, they are in a basket on the desk outside of our classroom. We are also working on it at school, so if we catch your child doing a good deed or doing something extra special, he/she will get to put a pom pom ball in the Good Deed Jar!

Reminder: Please remember it is still important to keep your child home if they are not feeling well or they are experiencing any covid symptoms.

Please let me know if you have any questions.

Important Information

Class Website

I have more pictures that I will be adding soon to our class website! Please check the website often! Also let me know if you need the password.

If you have any questions or concerns feel free to contact me
