St. Luke Catholic School has chosen to permit student access to computer and telecommunication resources to further its educational goals and objectives. Reasonable care has been taken to insure the appropriateness and educational quality of the material available through the use of educational software and telecommunications. However, parents and guardians are warned that St. Luke Catholic School and the Diocese of Brownsville will not be responsible for the accuracy, nature or quality of information gathered through school Internet Access. Parents and guardians are the primary authority responsible for imparting the standards of ethical and legal conduct their child or ward should follow. Therefore, St. Luke Catholic School supports and respects each family's right to decide whether or not their child may have access to this resource.

To the student: I have read the Acceptable Use of Policy for Computers and Telecommunications. I understand its significance, and I agree to voluntarily abide with all terms and conditions of it. I further understand that violation of this agreement would be unethical and might even constitute a criminal offense. Should I chose to violate this agreement, my privileges will be revoked, and disciplinary action, and/or appropriate legal action may be taken.

1. I am the parent/guardian of the below named student. I have read the Acceptable Use Policy for Computers and Telecommunications ("the policy") and I have either explained it to my child/ward ("student") or I have assured myself that the student understands it. I also understand my own and the student's responsibilities regarding computer hardware, software, and Internet access at St. Luke Catholic School.

I hereby consent to the student having access to, and use of, the telecommunications resources at St. Luke Catholic School. I also hereby indemnify and hold harmless the Diocese of Brownsville and St. Luke Catholic School from any claim or loss resulting from any infraction by the student of the policy or any applicable law.

I do not consent to the student having access to, or use of, the telecommunications resources at St. Luke Catholic School.
