

Hello SMS Families,

We have set aside Friday, May 15th as the date for distributing student belongings to our families. Below please see the schedule for each grade level to pick up student belongings. For families with multiple children, please follow the schedule for the oldest child. Each of your students' belongings will be distributed at the oldest child's location.

Teachers will deliver the bags of belongings to a social distancing point near your vehicle. Parents and children will not come into the building.

If you cannot come at the time on the schedule, please feel free to contact Robbin Clifton at 815-625-2253 to set up an alternate time.

Items from your students' PE lockers are bagged separately and placed inside the Classroom bag.

AR Incentives are bagged separately and placed inside the Classroom bag.
