

The Church is closed until further notice. No Mass, No Stations of the Cross, No Sacraments.

The office remains open at this time, but that could change. However, we will still be available to parishioners. We will update you if and when that happens.

If you know of someone that does not have computer access at all, please let us know. We will try to reach them in some other way. We want all parishioners to know that our church is still here and still cares about them. We don't want anyone to feel left out or forgotten!

Mass Intentions:

Your Mass Intentions that you have scheduled for the upcoming weeks will be said by Fr. Matthew privately. The Mass intentions will be published in the bulletin weekly.

Candle Intentions:

The Candle Intentions are going to be fulfilled as no matter what circumstances we are under, the Sanctuary Light must be kept burning in the churches and the Adoration Chapel. Those intentions will still be published in the bulletin.
