Marie-Rose Ferron, "Little Rose" **A Presentation**

Saturday, January 23, 2016
2:00pm

Talk given by David P. Ethier, President
Rose Ferron Foundation of Rhode Island

It was through her deep devotion and spiritual discipline with love and support of her family and community that she was able to pray and intercede for many souls in Rhode Island and throughout the world. Numerous testimonies and events point to the apparent mystical, ecstatic and stigmatic experiences in her 33 years. Questions will be answered about Little Rose's life and some of her personal belongings and mementos will be available for viewing.
