IN  
PRAYERS OF REPARATION AND PROTECTION AGAINST WITCHCRAFT

On August 9-11, HexFest, a weekend of witchery, will be coming to our city. Those attending will be witches, rootworkers, voodoo priests, and others who will be conducting rituals and holding workshops across the spectrum of witchcraft and magic that encourage learning and deepening knowledge of these topics.

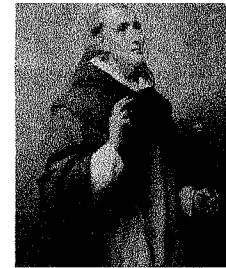

**WE ENCOURAGE ALL CATHOLICS TO PRAY, FAST, AND DO PENANCE FOR THE END OF ALL WITCHCRAFT AND OCCULT PRACTICES AND RITUALS THAT OFFEND GOD.**

## *Come Join in Prayer*

as we pray at St. Dominic Church for protection and conversion through the intercession of Blessed John of Vercelli invoking the power of The Most Holy Name of Jesus that this HexFest may be stopped, all rituals be rendered useless, and that the evil one may be thwarted in his efforts to lead souls astray.
