**JUST MERCY: A CATHOLIC STUDY GUIDE**

**Catholic Mobilizing Network** has created a study guide and accompanying resources for individuals and groups to reflect on the important message of the new film Just Mercy. Based on the bestselling book by Bryan Stevenson, the film Just Mercy presents the stunning and true story of Walter McMillian, a Black man convicted and sentenced to death in Alabama in 1988 for a crime he did not commit. The film illustrates the structural racism endemic to our capital punishment system, and lays bare how this system devalues and cheapens all human life. The study guide and resources offer viewers a way to explore the Catholic call to uphold the sanctity of life within the U.S. criminal legal system. Share the free study guide and additional information with your networks today.

**ENRICH YOUR LENTEN EXPERIENCE THIS YEAR BY BRINGING LENT INTO YOUR HOME, COMMUNITIES AND PARISH!**

In this Lent journey of prayer, fasting and almsgiving expand your Lenten undertakings by connecting your faith with CRS endeavors to help our most poor and vulnerable members of our human family around the world. According to a 2017 United Nations report called, “The State of Food Insecurity and Nutrition in the World 2017” claims that 815 million people around the world or 11 percent of the world’s population fall behind in adequate nutrition, a necessity for a healthy development. By participating in CRS Rice Bowl this holy season, you are called to reflect about the challenges of global hunger with your families and take a solidarity stance with those brothers and sisters around the world who suffer from malnourishment and chronic hunger. If you are interested introducing Catholic social teaching this Lenten season to your high school youth, young adults or adults of your Catholic Community please contact our CHHD Intern Cynthia Roberson (see box) to schedule an interactive presentation (in English or Spanish) on how our faith calls us to respond to the root causes of poverty!

**FAITH IN ACTION: CRS RICE BOWL FOR LENT**

God invites us to reach out beyond ourselves and encounter the needs of all. This Lent, CRS Rice Bowl—Catholic Relief Services’ Lenten faith-in-action program—invites us to reflect on the Gospel story of Jesus feeding the 5,000 with just a few loaves and fishes and to consider the needs of the hungry around the world. Journey with CRS to Honduras, Kenya and Vietnam to meet three girls and their families who are thriving with the support of CRS and faith communities like yours. Through stories, videos and lesson plans, your community will learn about the global issue of hunger and malnutrition and our Gospel call to feed the hungry. Join more than 14,000 faith communities in 180 dioceses across the U.S. in prayer, fasting and almsgiving this Lent. Together, we will serve our brothers and sisters most in need around the world while forming families and faith communities to be missionary disciples. To order your Rice Bowls, contact the office (see box).

**CRS RICE BOWL: MEET TRINH**

In Vietnam, CRS is working with students like Trinh, helping them to learn ways to protect their home, food and family from destructive storms. Trinh is happy that she can apply what she learned in school to help her family. Trinh’s family are farmers in Vietnam who have been affected by climate change. What would you do if your source of nutrition was threatened? How can we support those whose livelihoods are vulnerable to weather? Visit crsricebowl.org for more information.

**NEW VIDEOS FOR PRAYER AND ACTION AS FAITHFUL CITIZENS**

At their November General Assembly, the full body of bishops approved scripts for videos to inspire prayer and action in political life and to help Catholics apply the teachings of Pope Francis to our day. The videos complement Forming Consciences for Faithful Citizenship, the bishops’ teaching document for the faithful on the political responsibility of Catholics, and they seek to help the faithful participate in public life, prioritize faith over partisan politics, engage with civility, and respond to pressing issues of our day. Each video ends with a prayer. The videos are available on the USCCB’s YouTube channel and at FaithfulCitizenship.org in four languages (English, Spanish, Tagalog, and Vietnamese).
What is the Census? The Census is required by the U.S. Constitution and goes to extraordinary lengths to make sure everyone is counted once, only once, and in the right place. The census is conducted every 10 years and counts everyone who lives in your home, including children and newborn babies, citizens and non-citizens. Responses to the 2020 Census shape how more than $675 billion in federal funding is distributed to states and local communities.

The census asks a few questions and takes a few minutes to respond.

What is the Census? The Census is required by the U.S. Constitution and goes to extraordinary lengths to make sure everyone is counted once, only once, and in the right place. The census is conducted every 10 years and counts everyone who lives in your home, including children and newborn babies, citizens and non-citizens. Responses to the 2020 Census shape how more than $675 billion in federal funding is distributed to states and local communities. Census data determines how public funds are spent for new schools, healthcare, and fire and emergency services. An accurate count also determines how many seats your state received in Congress and data guides how state and local officials redraw boundaries for districts like congressional districts, state legislative districts, and school districts.

The Census and New Mexico Historically, New Mexico has been one of the most undercounted states in the nation. As a result, the state has not been allocated the proper amount of funding, which could positively impact the state’s diverse population. As communities change, so do their needs. The Census paints a picture with numbers of the changing population of America and your response determines your community’s future. Shape your future, start here!

Better Nutrition, Better Tomorrow 2020
You are invited to participate in Bread for the World’s 2020 Offering of Letters to Congress: Better Nutrition, Better Tomorrow, which urges Congress to pass legislation that provides nutrition for vulnerable people in the United States and abroad. Our faith calls us to stand alongside women and children around the world. Our government and New Mexico’s elected officials should provide leadership toward a well-nourished world. The goal of the letter-writing campaign is compatible with the goal of the United States Conference of Catholic Bishops’ to protect agriculture and nutrition programs that provide for poor, hungry, and vulnerable people, both at home and abroad. See this link for more information about the campaign: https://bread.org/toolkit

Internship Opportunity from USCCB: Laudato Si’ Advocates Program
The Environmental Justice Program (EJP), in association with the National Religious Partnership for the Environment (NRPE), is pleased to introduce a new initiative called the Laudato Si’ Advocates Program. The Program is designed to equip college-age individuals with skills to advocate for legislation that promotes the integral ecology described in Laudato Si’. Advocates receive a small stipend, attend a training summit in Washington, D.C., and receive instruction in advocacy. Interested individuals are encouraged to go to the USCCB web site for more information about positions during the 2020-21 academic year: http://www.usccb.org/issues-and-action/human-life-and-dignity/environment/

Paid CCHD Internship Available!
Application Deadline March 15
Catholic Campaign for Human Development’s (CCHD) Archdiocesan office in Albuquerque is looking for Catholics who have a passion for service and justice, to apply for a paid position, approx. 18-20 hours/week, $14/hr for Fall 2020 and Spring 2021. The applicant must be Catholic, have leadership experience, community service experience, and effective writing, communication and computer skills. Bi-lingual (English/Spanish) candidates preferred. An openness to the CCHD values of solidarity building, participation of the poor, and Catholic social teaching is essential. MONTHLY REFLECTION: Lent is a favorable time for letting Christ serve us so that we in turn may become more like him. This happens whenever we hear the word of God and receive the sacraments, especially the Eucharist. There we become what we receive: the Body of Christ. In this body there is no room for the indifference which so often seems to possess our hearts. For whoever is of Christ, belongs to one body, and in him we cannot be indifferent to one another. “If one part suffers, all the parts suffer with it; if one part is honored, all the parts share its joy” (1 Cor 12:26).
