## From the Principal's Desk:

Dear STM families,

Today ends the first week of remote learning. Please remember that all the information you need for remote learning was sent out in emails but is also posted under the Announcements section at the top of the page on School Speak as resources for you to use. Let the teachers or I know if you have any questions along the way. We are here to help! We are still scheduled to return to the building on Monday, December 14<sup>th</sup>. If that changes for any reason, I will let you know as soon as I do. We were not able to have our All School Thanksgiving Feast before Thanksgiving, so we are instead planning to change it to a Christmas Feast and have it on Thursday, December 17<sup>th</sup>. If your child has already paid, they will receive a turkey lunch that day. A reminder that this coming Tuesday from 2 – 6 PM we are doing a pickup for Mrs. Field's orders in the school gym. Please remember to come by and pick your order up. This Tuesday is also a No-Cook Night at McAllister's Deli. Please enjoy some good food while supporting our amazing school. Please remember that the school has a Facebook page that will show more pictures of these events and more that occur at school. Please be sure to Follow Us! Have an extraordinary and lovely weekend. Thank you for all your continued support. We miss seeing the kids in the building!

Blessings,  
Mrs. Keane

## Kindergarten Celebrates Thanksgiving

On the last day of school before Thanksgiving the kindergarten class prepared to celebrate the holiday. To better understand the history of Thanksgiving the students learned about the role of the American Indians

in the first feast. Students had a lot of fun creating American Indian headdresses and sticks and showing them off to each other. They were able to take home their newfound knowledge and creations to share with their families when celebrating Thanksgiving.

## Miraculous Medal

The day before the students left for the Thanksgiving holiday, all the second graders received a blessed Miraculous Medal with a certificate of enrollment in the Association of the Miraculous Medal. The Medal of the Immaculate Conception, popularly known as the Miraculous Medal, is unique among all medals. It was designed and revealed by the Blessed Virgin herself. It gives extraordinary graces to those who wear it and pray for Mary's intercession and help. It is a very special and blessed tradition here at STM.

## EAT TO SUPPORT

ST. THOMAS MORE SCHOOL TAKE-OUT FUNDRAISER

Tuesday December 8, 2020
