Father Browning Blesses STM

To start the school year off Father Browning on the first day of school walked around the entire school building, inside and out, to bless all the students, teachers, staff, classrooms, and school grounds with holy water and prayers for a blessed and fruitful school year.

From the Principal's Desk:

Dear STM families,

I would like to remind all of you that our virtual Back to School Night is tonight beginning at 6 PM. If you have not already attended, please log onto your School Speak account and follow the links in the Announcements section. Your support of our school and your child's education is what makes this school so wonderful. I truly believe in the partnership between home and school. We began this school year with our pastor, Fr. Browning, blessing the entire school, students, staff, and grounds. What a fantastic way to start the year! We also started the school year off with a backpack tag blessing for all our students by our pastor, Fr. Browning. This year our All School Masses will be on Wednesday mornings at 8:30 AM. The entire school, remote and in the building, will attend virtually. We hope you can join us! This past week grades 5 – 8 and the remote learners received their school email accounts and began logging into Google Classroom with their teachers. Next week students in grades 1 – 4 will begin the process. Google Classroom is the platform grades 1 – 8 will be using in the school building and eLearning. Please be sure your child has all the school supplies that they need for this school year, including extra masks in their backpack in case of emergencies. Have a safe and wonderful weekend! May Christ keep you and yours safe.

Blessings,
Mrs. Sonja Keane

TONIGHT!!

Don't miss the chance to "meet" STM's teachers and hear about all the exciting things planned for their classrooms this year.

Check SchoolSpeak after 6 pm for links to our digital *Back to School Night*.

Don't delay. The links are available for a limited time.

Virtual Enrichment

Fall 2020

GRADES K-8

Chess Scholars/Afterschool Enrichment presents exciting online enrichment programs! The "All Access" program includes Chess, Spanish, STEM, Art and Drama. Your child can jump into all five subject areas, or start with one or two and add more courses as you go. Online enrichment classes include:

Live, interactive weekly sessions with expert instructors

- o Chess and STEM live sessions are divided by grade level.

Video lessons with step by step instructions to complete projects

Project workbooks to reinforce learning concepts

Access to online Chess tournament play with other Chess Scholars students

Our live class times are held both in the morning and afternoon throughout the week to accommodate various schedules. Video lessons are available 24/7. Learning is Fun with these engaging enrichment programs!
