From the Principal's Desk:

Dear STM families,

Today we had our Halloween Spirit Wear Day and classroom celebrations. The students all had a marvelous time! First quarter report cards were published today, as well. Please be sure you "sign" your child's report card after viewing it. Make sure you drop off your raffle tickets for the Fall Fest if you have not already as the next early bird drawing is coming up this Monday, November 1st. Our Fall fundraiser which includes Mrs. Field's goodies and more officially ended this week. A huge thank you to everyone for participating in the fundraiser and supporting our school! Items ordered and prizes earned will be delivered in early December. We will let you know when we have an exact delivery and pick-up date. Tomorrow, Saturday, October 24th, is our annual Trunk-or-Treat event. Please note the time change: it will be held from 2 – 4:30 PM in the school parking lot. We hope to see everyone there! Next week we will be holding virtual Parent-Teacher conferences. Please be sure to log into School Speak and schedule yours. To keep on top of any scheduled events and dates please be sure to check out our live Google calendar which is regularly updated on our school website. Have an incredible and safe weekend. Happy Halloween!

Blessings,
Mrs. Sonja Keane

8th Grade Girls Volleyball

The STM's 8th grade girls volleyball team played for the last time on home court this past Monday. The long-standing tradition of honoring the 8th graders took place that evening as well. The stands were filled with fans cheering them on, and congratulations was given for years of making STM look good! It was a wonderful evening!

Space Chat

This past week our 2nd grade class was able to virtually meet and talk with the Virgin Galactic astronauts. The students were able to ask them questions about their upcoming mission in 2022. They learned about how the astronauts eat and sleep in space, how the rocket ships are made, what space looks like, how many people fit in the rocket ship, how they know where to land, and much more! It was a very educational and fun experience.
