From the Principal's Desk:

Dear STM families,

I would like to remind everyone that our virtual Back to School Night opened up last Wednesday night at 6 PM. If you have not already attended, it's not too late. Please log onto your School Speak account and follow the links in the Announcements section. Please be sure to watch the videos of all your child's teachers. They will be taken down after the weekend so please be sure to watch. Your support of our school and your child's education is what makes this school so wonderful. I truly believe in the partnership between home and school. This school year the school will be able to attend All School Masses together as a school in the church. The All School Masses will be held on Wednesdays and is CLOSED to the public. It can only be attended by students and teachers from STM School. We hope parents understand how important it is for us to get the students back in church while following protocols to keep everyone healthy. At this week's All School Mass Fr. Browning blessed the backpack tags that all our students will be receiving to wear on their backpack for a blessed school year. Students in grades 1 – 8 have school email accounts and are one-to-one with a Chromebook. Teachers will again this year be utilizing Google Classroom. Google Classroom is the platform grades 1 – 8 will be using in the school building and at home. Please be sure your child has all the school supplies that they need for this school year, including extra masks in their backpack in case of emergencies. There is no school on Monday due to the Labor Day holiday. I wish you all a safe and wonderful holiday weekend.

Blessings,
Mrs. Sonja Keane

Didn't get a chance this week to join us? No worries! All links are still up and they can be enjoyed this weekend. But Monday, September 6th, is the last chance. All links come down after that. So, sit back, grab some popcorn, and meet the teachers!

Celebrating All School Mass Again

Last week students in grades 1 - 8 attended the first All School Mass back in the church in almost a year and a half! Teachers, students, and staff were very happy to be able to be back together again celebrating Mass in person. We are able to do this every Wednesday by having the mass closed to the public. It is wonderful to be able to celebrate together again.
