From the Principal's Desk:

Dear STM families,
Can you believe that we are already at the halfway point of the first quarter? Time goes by quickly with so much going on! Last week we had our fire drill with the Elgin Fire Department. Of course, we not only passed, but did superb! How could we not when we have such fantastic kids, teachers, and staff!! I am so proud of them all. Our cross country team is busy practicing and doing well at their meets. We also this year have girls' volleyball playing again. We are very excited that we can have our sports teams playing again this school year! I appreciate everyone following guidelines so that we can keep sports going. This Tuesday we will be having our very first STM Spirit Wear Day of the school year. I truly love seeing the kids wearing their STM gear! If you still need to buy some STM spirit wear or would like to get more items, please visit our online school store here: <https://stores.inksoft.com/STM/shop/home>.

This Thursday our PTO is hosting their first ever miniature golf tournament. Please be sure to return your slip with payment by this Monday to the school in order to participate. It is going to be a fun event! Thank you for all your continued support of our school. Have a pleasant and enjoyable weekend.

Blessings,
Mrs. Sonja Keane

Welcome Baby Skiba

STM's 5th grade teacher, Mrs. Skiba, delivered her much anticipated baby last week. We proudly welcome the family's baby boy, Zachary James, into the St. Thomas More family. Congratulations to Mr. and Mrs. Skiba on the blessed addition to their family!

Cross Country is back!

Cross country is back for the fall season, and the STM team started off strong! The talented runners have been working hard and giving it their all. We are so proud of them. The team has a meet this Tuesday, September 28th at Harvest Christian at 4 pm. Good luck and *Go Trojans!*
