

In the spring of 2017, we launched the **Academic Angels Campaign (AAC)** to continue to enhance our school's programs and ensure that we are "best in class" — providing a faith-filled learning environment where our students have an opportunity to thrive. This environment includes enhanced faculty and teaching resources, state-of-the-art technology, high quality programs, and necessary modern facilities.

**With your help, we can reach our goal of raising \$150,000 for the AAC by the end of May 2021.**

Your gift will provide Visitation with support directed to areas with the greatest need, including:

- Focused Resources in Academic Environment: Teaching Assistants/Academic Coaches in the 1st – 3rd Grade classrooms to provide more opportunities for small-group instruction for both remedial and enrichment in Math and Reading.
- Technology/Coding Teacher for all students in Grades 1– 8 so all students may participate in cutting-edge technology.
- Updated Science Curriculum that provides new textbooks and online accessibility for enhanced learning for our students.
- Enhance Arts Alive, Music/Band Programs & School Shows by purchasing new curtain and scrim for the stage in the gymnasium.

Consider this — over the last 4 years, our students have been able to benefit from this campaign in so many ways. Here is a list of all that we have been able to accomplish with the support of our parents, parish community, and friends:

- Full Day Kindergarten
- After School Care
- Renovated the Art & Kindergarten Classroom Spaces
- Provided 1:1 Devices for all Grades
- New Math Curriculum
- Spanish for Grades K-8
- New Multi-Use Tables & Chairs
- New Playground
- Technology update to support 1:1 Devices
- New Smart Boards & Smart Board Updates

Since 1954, we have remained focused on instilling Catholic values, preparing students for high school, and promoting individual greatness. It takes the faith and dedication of our faculty & administration, our parents, and the parish community to continue our mission. Please take a moment to donate online or return your Academic Angels Campaign reply with your gift today. Every gift makes a difference. Please find it in your heart to provide our students with the opportunity to achieve excellence and make a difference in the world!

God Bless,
