Dear Parishioners,

I have great news regarding the continuing beautification of our parish and school campus. Back in the fall, a parishioner approached me about wanting to donate a garden to our parish, establishing it outside of the northeast exit of our Church on Pomona. The garden would be dedicated to the Sacred Heart of Jesus, and have established seating and lighting. I was truly touched. On a personal level, devotion to the Sacred Heart of Jesus has always been a part of my own walk. I had the Sacred Heart on my ordination prayer card, and it is deeply tied to the priesthood. After expressing gratitude on behalf of the parish, I got on the phone with Mr. Curt Burns, a faithful Catholic on the North Shore, who collects sacred objects from around the world. I asked Curt if he had any statues of the Sacred Heart of Jesus and he mentioned that he did not, but would be going to Europe in a few weeks. I texted him a few weeks later, and he found a beautiful, cast iron statue of the Sacred Heart in Belgium. We are currently in the process of having it stripped and re-painted.

Next, we made plans for the garden itself by contacting Mr. Brian Sublette, an alum of St. Angela, who designed the Mother’s Garden outside of our Conference Room. Brian came up with an inspired design, and we are ready to implement it in the coming weeks. While the parish family who donated the garden prefers to remain anonymous, I want to publicly thank them for this enduring gift to the parish. Thank you!

While the landscape architect was here, we discussed additional work regarding the perimeter of the church on Melody and Pomona. The area around the statue of our patroness, St. Angela, is the least used of all four exits. Our intention is to open up this area so that it will be more inviting and hopefully more used. In implementing this plan, we will be removing the current hedges that surround the Church, and replacing them with a lower ground cover. Removing the hedges will reveal the architectural design of the building that has largely been covered by our hedges. It will also make the exit by St. Angela appear more open and inviting. We will be establishing a fountain underneath the statue of St. Angela, adding more life to the corner with the sound of flowing water. I want to thank SALA for their interest and financial support to the improvements of our statue. Thank you!

We will also be adding three Nuttall Oaks to the grassy area on the corner of Melody and Pomona. Each of the oaks are up for memorialization, allowing three parishioners to financially sponsor the trees and their installation.

Finally, we discussed the garden area that runs alongside the gym. We will be replacing the bushes with eight (8) Brodie Columnar Cedars, replacing irrigation and adding up-lighting.

As we move forward in stages, I will keep you posted. Thank you for your strong support of our mission! Know that Fr. Dan and I pray for you daily.

Penitential Disciplines of Lent

The Christian faithful, during Lent, are clearly conscious of the need to turn the mind towards those realities which really count, which require Gospel commitment and integrity of life which, through self denial of those things which are superfluous, are translated into good works and solidarity with the poor and needy (Directory on Popular Piety and the Liturgy, #125).

In addition to choosing their own penitential practices, Catholics are also asked to observe the practices of fast and abstinence during the 40 days of Lent. The Lenten Fast and Abstinence Regulations are as follows:

1. Everyone 14 years of age or over is bound to abstain from meat on Ash Wednesday and all the Fridays of Lent.

2. Everyone 18 years of age and under 59 years of age is bound to fast on Ash Wednesday and Good Friday. (The obligation of fasting ceases with the celebration of one’s 59th birthday.)

3. On Ash Wednesday and Good Friday, only one full meatless meal is allowed. Two other smaller meatless meals, sufficient to maintain strength, may be taken according to each one’s needs, but together they should not equal another full meal. Eating between meals is not permitted on these two days, but liquids, including milk and fruit juices are allowed. When health or ability to work would be seriously affected, the law does not oblige.

4. Catholics should not lightly excuse themselves from these prescribed minimal penitential practices.

Feast of the Week

THE CHAIR OF ST. PETER THE APOSTLE
Feast Day: February 22

In brushing up for “Catholic Jeopardy,” it might help to know that there is only one feast on the calendar for a thing, rather than a person or mystery. It’s for a chair: Saint Peter’s chair in fact.

After the Resurrection, there can be no doubt that the disciples reserved a special place for Simon Peter in the upper room. Later, Peter became the bishop of Antioch in today’s Syria, the place where we were first called Christians. From there, he went to Rome, the center of the Empire, where it is said that Peter sat in a chair in the house of Priscilla and Aquila to instruct his flock. Jesus, in entrusting the keys of the Kingdom to Peter and his successors, entrusted his compassion and mercy to them, and charged them with pointing to the Kingdom of God. Compassion and mercy are to resonate through their teaching.

Since the ancient sign of a teacher is the chair (“disciple” literally means one who sits at the feet of a teacher), Peter’s chair has long been treasured. Today there is a symbolic shrine of Peter’s chair above the main altar of St. Peter’s Basilica in Rome. This monument is the last work of Bernini, a huge bronze throne supported by four doctors of the Church: Augustine and Ambrose from the Western Church, and Chrysostom and Athanasius from the East. High above it is the alabaster window of the descent of the Holy Spirit.
