

Dear St. Gregory Barbarigo Families,

For the new families joining us this year, we want to extend a very warm welcome to St. Gregory Barbarigo School. And for our returning families, welcome back. We are looking forward to an amazing year.

We are truly blessed that our children have been able to return to in class learning. Thank you to Mrs. Spicer and all of the teachers and faculty who worked diligently all summer long to make this possible for our children. Things will be very different this year as we currently cannot do any in person activities or fundraising. We do, however, hope to create some fun virtual activities that will continue to bring us all together and create long lasting friendships and memories. The health and safety of our children, families and school faculty will be the number one priority for now.

We hope your children like their goodie bags!! The HSA wanted to give everyone a little something to brighten their first weeks back to school. Special thanks to Jenny Morales & Noreen Murray for personalizing each water bottle with our children's names on them!! We thought the children can use the bags for their art supplies and leave on the backs of their chairs. The Hanes masks were generously donated by Howard Phillips, the Supervisor of the Town of Haverstraw, and the HSA had our SGB logo printed on each of them. They are one size fits all. If they are a little too big, perhaps you can tie a small knot on either side to make it work.

We look forward to meeting all of you and especially look forward to the day we can all be together again!!

Please contact us with any questions. You can email us by visiting the HAS page on the SGB website.

Have a wonderful, safe and most of all - a healthy year!

Sincerely, The HSA - Kim Lillo- President, Tammy McDermott -Vice President, Oksana Hauser -Treasurer, Lou Pastina- Recording Secretary & Jenny Candelario- Corresponding Secretary
