

Good Morning Families,

Below you will find step-by-step instructions for logging your child into their Google account to connect to our Google Classroom.

Step 1: Go to [www.google.com](http://www.google.com) and click at the top right corner on "Gmail." This will allow you and your child to log in using their email and password given by the school.

Gmail Images 

 Search Google or type a URL 

Step 2: Once you are logged into the email account, you will see a "waffle" (9 dot array) at the top righthand corner. This allows you to access all of the Google Apps connected to Gmail. Click on the waffle.

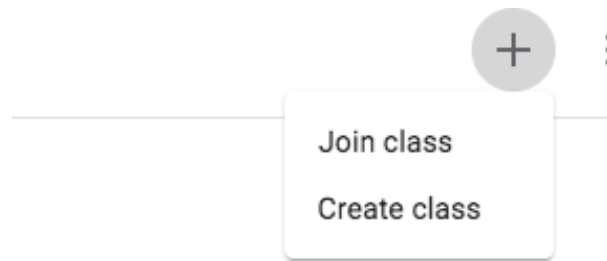

G Suite 

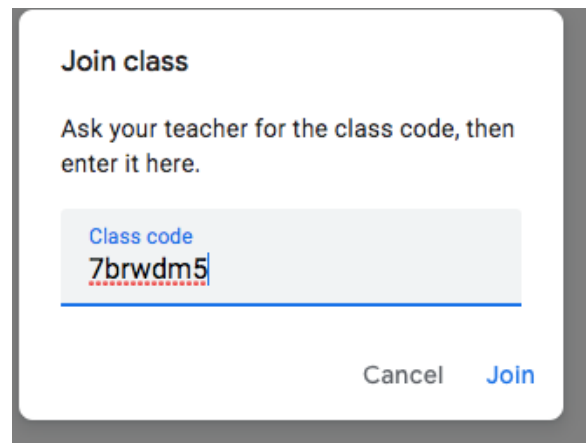

Step 3: When you click on the waffle, apps will pop down. Scroll through the apps and click on the app that has the white background with the green chalkboard labeled "Classroom."

Step 4: Once you have clicked the Classroom app, you will be brought to Google Classroom. In order to join our class, click on the plus sign at the top righthand corner of the screen. Then, click join class.

Step 5: When you click join class, you will be prompted to enter a class code. Our class code is: **7brwdm5**. Once you put in the class code, click "Join Class."

Once this is done, you will be able to see any posts in our Google Classroom. Please let me know if you have any questions.

-Mrs. Wilson
