Mrs. Linda Power, Principal

Dear Families,

I hope you are all enjoying the summer! We are busy at school getting ready for next year. We will again be offering milk to our students who both buy and bring their lunches. Pursuant to USDA requirements, we will be offering 1% chocolate milk as well as 1% white milk. The price is the same for whichever milk you choose.

The 2019-20 yearly amount due is \$50 per child. In order to insure that your child receives milk on the first day of school, please sign up for milk by August 26, 2019. You will be billed the \$50 on your SMART tuition family account. Milk will be available on the first day of school.

You may cancel your order at any time. However, if your child receives milk in one particular month, he or she shall continue to receive it until the end of the month. You also may change your choice by submitting a note written by a parent. This change would be permanent, not done on a daily or weekly basis.

Thank you for your prompt attention to this matter. The milk order form is on the following page. May God continue to bless you and your family.

Sincerely,

Linda Power
Principal
