*Lord, thank You for bringing these couples together in love. As they knelt together and made vows to each other and to You, may You be with them throughout their journey through life as man and wife. Direct and govern their lives together that they may build each other up rather than tear each other down with careless actions and hurtful words. Teach them to listen to each other, to pray together, and to respond to each other with wisdom, grace, love, patience and joy. Amen.*
