### Grade Coordinators Needed!

Home & School is seeking a primary and a secondary contact for each of the grades to assist in coordinating events and communications between the H&S Association and the families at our school! These volunteers will be the point person for their respective grade for the 2019-2020 school year for questions and concerns as well as helping out at events as volunteers, and recruiting other volunteers as their schedules permit. All interested may contact the Home & School Board.

### Volunteers Needed for Trunk or Treat

Home & School is seeking volunteers to help set up, run, and clean up our Trunk or Treat event. This event is open to the younger students at OLC (5<sup>th</sup> grade and under) but volunteering is open to all, including our older students in need of service hours! Any amount of time you can assist is valued!

### How Can We Help?

All are welcome at the back to school meeting on Monday, October 14 to meet the new board! During this meeting, we will discuss our plan for the year and share information on what is happening with the money we raise!
