

JMJ

November 12, 2020

Dear Parent(s)/Guardian(s),

The following directives are meant to cover the 14 day (7 school days) of the quarantine (due to Halloween activity) ordered by the Philadelphia Board of Health until the return of on-site students on November 30th.

- 1) Tomorrow will be a “free” organization day for all students as we determine the need of devices for families who will now be virtual, beginning Monday (11/16/20). If you have a device borrowed from OLC that you are not using, please return it. If you need a device, please let us know. (Our government order for Chrome books, has not been received, but we will do what we can with what we have.)
- 2) Grades K to 8 will be virtual and the PreK 3 & 4 teachers are planning packets for their students and will do Zoom classes. Miss Dee Kramer is planning the virtual use of i-pads for the Kindergarten classes.
- 3) Students will be dismissed today at the regular time and will be bringing home all their books and supplies.
- 4) Teachers will email specific directives for virtual learning.
- 5) Virtual Learning (unlike March 2020) now consists of full day instruction, students in uniform, etc. Please see attachment.
- 6) Future information/updates will be determined by directives we receive.
- 7) School items may be picked up at the Faculty Room (behind the Church) after school until 5:30.
- 8) CARES students are to be picked up after school as soon as possible today.

With warm regards,

Sister Mildred
