

COVID 19 PROTOCOLS

If a family member AND/OR student is being tested for COVID 19 or exhibits symptoms, the student must remain home until the results are known. If results are negative, the student returns to school after they are 24 hours symptom free. If positive, the child quarantines for 14 days.

If a student OR family member has been in contact with someone who tested positive for COVID 19, the student must quarantine for 14 days from the last contact with that person.

If a student travels to another state, the student must quarantine for 14 days.
